#### THE STORY ABOUT SEASONS

## One day, the seasons had an argument. Each one of them said, "I am the best!"

Spring said, "I am when flowers bloom and it is green and fresh everywhere. Birds fly and insects have fun with new flowers." Autumn said, "I am when trees shed their leaves and cover the earth in orange brilliance. The air feels cool."

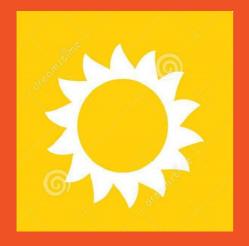

Summer said, "Yes, but I am when the sun shines brightly and it feels too hot to do anything. People eat ice-cream and enjoy cold drinks

Winter said, "I am when people wear woolen clothes, caps and gloves. Birds fly south for the winter because it's too cold."

## They didn't decide who is best. They said, "We were the best when we were together.
